PROFESSIONAL SUMMARY

Social Media Manager with 6+ years building organic content strategies, managing online communities, and running analytics-led campaigns that turn attention into measurable growth. Experienced across Instagram, X, TikTok, Facebook, LinkedIn and YouTube, with a track record of double-digit engagement gains, six-figure content reach, performance tracking, paid advertising, and AI-assisted production workflows.

CORE SKILLS

Social Media Management • Content Strategy • Community Management • Audience Growth • Campaign Analytics • Performance Marketing • Paid Advertising • Content Calendar Management • Cross-Platform Strategy • Social Listening • Brand Communication • Reporting & Insights • Canva • Meta Business Suite • Buffer / Later • Google Analytics • AI-Assisted Workflows (ChatGPT, Claude, Gemini)

PROFESSIONAL EXPERIENCE

Social Media Assistant Lead | NSIA-LUTH Cancer Centre (NLCC) 2022 – Present

- Led multi-channel digital communications for a national cancer-care institution, growing organic visibility across Facebook, YouTube and LinkedIn.
- Generated 28.6K Facebook profile views and 131.6K YouTube content impressions through a consistent, audience-led content schedule.
- Increased LinkedIn organic engagement by 57.6% by aligning content themes with audience intent and posting cadence.
- Built and managed an online patient-support community with an analytics dashboard, and developed cancer-awareness campaigns pairing targeted content with clear, accessible health messaging.

Social Media Manager | Bhackor Consults (OAGF / IPPIS National Project) 2019 – 2021

- Managed social media and digital communications for government-initiative campaigns, coordinating content and messaging across platforms and reporting performance to stakeholders.
- Implemented a secure communication strategy for confidential national-project data, balancing public outreach with data sensitivity.

Social Media Manager | Rehoboth Idealtech 2017 – 2018

- Created educational content on inverter and solar technology and ran platform-specific campaigns that drove product awareness and generated leads for renewable-energy solutions.

FREELANCE & PROJECT WORK

Social Media & Growth Consultant | Independent / Freelance 2021 – Present

- Ade Gadgets (e-commerce): Built organic content funnels on X to drive inbound interest and product click-throughs, generating 1,100+ audience interaction touchpoints.
- TeshMi Highlights (lifestyle): Designed a consistent Instagram content system and posting schedule built for retention, lifting engagement across the account's core community.
